Higher Education Data & Information  
Improvement Programme

Building the future of data & information

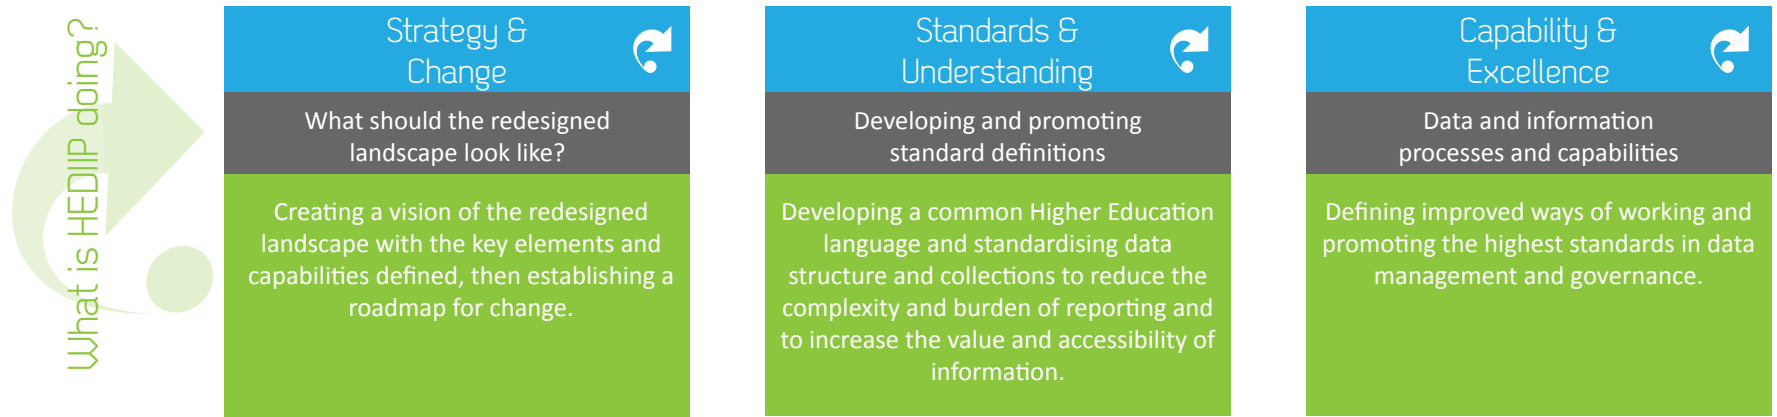

# Introduction to the Higher Education Data & Information Improvement Programme

The Higher Education Data & Information Improvement Programme (HEDIIP) has been established to redesign the information landscape in order to arrive at a new system that **reduces the burden** on data providers and improves the **quality, timeliness** and **accessibility** of data and information about HE.

## What is HEDIIP?

The HEDIIP programme includes a range of projects to improve the UK HE information landscape.

HEDIIP is hosted by the Higher Education Statistics Agency (HESA) and is funded by the Higher Education funding bodies in England, Scotland, Wales and Northern Ireland.

## What will this achieve?

HEDIIP projects will result in many positive changes for the sector...
